APPENDIX — FREQUENTLY ASKED QUESTIONS

The following questions and answers are provided for quick reference. They are based on the policy terms above and do not replace or override them. In case of any discrepancy, the policy terms in the preceding sections prevail.

Q: Is broken glass covered by home insurance?

A: NOT by the standard home contents policy. You need the Glass Breakage extension. With this extension, all window panes, door glass, shower screens, ceramic baths, and furniture glass are covered. Deductible EUR 100 per event.

Q: What is the deductible for glass breakage?

A: EUR 100 per glass breakage event — lower than the standard EUR 250 home contents deductible. Applies once per event. If a storm breaks three windows in one event, you pay EUR 100 once. Emergency boarding-up costs up to EUR 300 have no deductible.

Q: Is my shower screen or ceramic bath covered if it cracks?

A: YES. Glass shower screens, glass sinks, and ceramic baths or shower trays that crack or shatter accidentally are covered. EUR 100 deductible. We arrange replacement through approved suppliers.

Q: How do I claim for a broken window or door?

A: Emergency (security risk): call 0800 456 7890 — approved glazier within 4 hours, pay EUR 100 only. Non-emergency: report at mypolicy.allianz-direct.de or call 0800 123 4567. Photo required before replacement. Can use own glazier — we reimburse minus EUR 100.

Q: What glass is NOT covered?

A: Pre-existing cracks, cosmetic scratching, double-glazing misting, glass broken during renovation, vehicle glass, spectacle lenses, picture frame glass, portable items.
