PART A — DEFINITIONS

A.1 Key Terms

Contents: All moveable property belonging to you or household members kept at the insured address: furniture, clothing, electronics, sports equipment, personal effects. Excludes the building structure, motor vehicles, animals, and business goods.

Deductible (Selbstbeteiligung): The amount you pay first before we pay the remainder. Standard: EUR 250 per event. Applied once per event regardless of how many items are affected.

Insured Event: A sudden and unforeseen occurrence during the policy period giving rise to a claim. Multiple losses from the same cause at the same time are one event.

New-for-Old (Neuwert): Replacement cost of a damaged or stolen item with a new equivalent at current market prices, without deduction for age or wear and tear. Default settlement basis under this policy.

Sum Insured: Maximum we pay for all claims in a policy year. Must equal the full replacement value of all your contents. Underinsurance reduces settlements proportionally.

PART B — WHAT IS COVERED

B.1 Water Damage — Burst Pipes (Leitungswasser)

B.1.1 Insured Perils

We cover damage to your contents caused by water escaping from fixed water supply pipes, drainage pipes, central heating pipes, or radiators within or attached to the building, and from connected household appliances including washing machines, dishwashers, and built-in coffee machines. Overflow from wash basins or baths caused by blockage is also covered. Frost-burst pipes are covered provided the property was heated to at least 15°C.

B.1.2 Deductible and Documentation

The standard deductible of EUR 250 applies per water damage event. A licensed plumber report confirming the cause and location of the failure is required for claims above EUR 500. For claims above EUR 2,000, we may appoint our own loss adjuster. Repeated damage from the same unrepaired source is treated as one event.

B.2 Fire, Lightning, Explosion

We cover damage caused by fire (combustion producing flame), lightning, explosion, and implosion, including smoke and soot damage as a direct result of fire. If your home is uninhabitable due to fire, we cover up to EUR 2,500 for temporary accommodation subject to prior authorisation. Deductible: EUR 250 per fire event.

B.3 Storm and Hail Damage

We cover damage caused by storm (minimum Beaufort 8, sustained 63 km/h) or hail. We verify wind speeds with the German Weather Service (DWD) on your behalf. Covered: rain or hail entering through storm-broken windows, contents struck by debris. NOT covered as standard: garden furniture and outdoor items — requires the Elementar extension. Deductible: EUR 250.

B.4 Theft and Burglary (Einbruchdiebstahl)

We cover theft of your contents when there is evidence of forced entry: broken locks, damaged doors or windows. You must report to the police within 24 hours of discovery and obtain a crime reference number (Aktenzeichen) — mandatory for all burglary claims. Sub-limits: cash EUR 1,000; jewellery EUR 2,500 per item / EUR 5,000 total unless in locked safe. Bicycles are NOT covered — require the optional Bicycle extension. Deductible: EUR 250 per burglary event.

B.5 Vandalism After Burglary

We cover intentional damage to your contents caused by the burglar during a covered burglary. Pure vandalism without a burglary is NOT covered as standard. Police report required. Deductible: EUR 250.
